Objective

Motivated and detail-oriented Computer Science student at Cal Poly Pomona (Class of 2027), actively seeking software engineering internships or part-time roles to gain hands-on, real-world experience. Open to remote positions during the school year and in-person roles during summer breaks. Eager to learn, grow, and contribute to meaningful projects.

Skills

- Languages: HTML, CSS, JavaScript, Python, C, C++
- Tools & Technologies: Git & GitHub, Visual Studio Code
- Soft Skills: Organized, dependable, adaptable, eager to learn, good communication skills

Projects

❖ Personal Portfolio Website

Designed and developed a responsive portfolio using HTML, CSS, and JavaScript with a light/dark mode toggle. Highlights background, project work, and goals.

Live Site: [Khine Zar Hein | Portfolio](#) | GitHub: [Khine12/Khine12.github.io](#)

❖ Weekly To-Do Tracker Web App

Built a weekly planner web app with collapsible day sections, task tracking, summary generation, and theme switching. Focused on clean UI and real-life usefulness.
